(c) If fewer than all Bonds of any maturity are to be redeemed, the particular Bonds or portion of Bonds of such maturity to be redeemed shall be selected at random by the Bond Registrar in such manner as the Bond Registrar in its discretion may deem fair and appropriate. The portion of any registered Bond of a denomination of more than $5,000 to be redeemed will be in the principal amount of $5,000 or a whole multiple thereof, and in selecting portions of such Bonds for redemption, the Bond Registrar will treat each such Bond as representing that number of Bonds of $5,000 denomination that is obtained by dividing the principal amount of such Bond by $5,000.
Section 2.8  Notice of Redemption of the Bonds.

(a) In the event any Bonds are to be redeemed, the Issuer shall cause notice of such redemption to be given as provided in this Section 2.8. Notice of redemption shall be given by the Bond Registrar by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, to each registered owner of the Bonds to be redeemed, at the address shown on the registration books of the Issuer maintained by the Bond Registrar on the Record Date specified in the notice of redemption, which Record Date shall be not less than fifteen (15) calendar days before the mailing of such notice, or at such other address as is furnished to the Bond Registrar in writing by such registered owner on or prior to such Record Date. Each notice of redemption shall state: (i) the identification numbers, as established hereunder and the CUSIP numbers, if any, of the Bonds being redeemed, provided that any such notice shall state that no representation is made as to the correctness of CUSIP numbers either as printed on such Bonds or as contained in the notice of redemption and that reliance may be placed only on the identification numbers contained in the notice or printed on such Bonds; (ii) any other descriptive information needed to identify accurately the Bonds being redeemed, including, but not limited to, the original issuance date and maturity date of, and interest rate on, such Bonds; (iii) the Record Date; (iv) the redemption date; (v) the redemption price; (vi) the place of redemption; (vii) the total principal amount of Bonds to be redeemed; (viii) if less than all of the Bonds, the distinctive numbers of the Bonds or portions of Bonds to be redeemed and, if less than all of any Bond, the principal amount of each Bond that is to be redeemed; and (ix) that the interest on the Bonds or portion of Bonds in such notice designated for redemption shall cease to accrue from and after such redemption date and that on said date there will become due and payable on each of said Bonds or portions of Bonds the redemption price thereof and interest accrued thereon to the redemption date. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Registered Owner receives such notice. Failure to give such notice or any defect therein with respect to any Bond shall not affect the validity of the proceedings for redemption with respect to any other Bond. In addition to the foregoing notice, further notice of redemption shall be given by the Bond Registrar, by posting such notice on the Electronic Municipal Market Access System of the Municipal Securities Rulemaking Board. Such further notice shall contain the information required in the immediately preceding paragraph. Failure to give all or any portion of such further notice shall not in any manner defeat the effectiveness of a call for redemption.

(b) If at the time of mailing of any notice of optional redemption there shall not be on deposit with the Paying Agent moneys sufficient to redeem all the Bonds called for redemption, such notice may state that such redemption is subject to the deposit of the redemption moneys with the Paying Agent not later than the opening of business on the redemption date and that such notice shall be of no effect unless such moneys are so deposited. In the event that such notice of
redemption contains such a condition and such moneys are not so received, the
redemption shall not be made and the Bond Registrar shall within a reasonable
time thereafter give notice, in the manner in which the notice of redemption was
given, that such moneys were not so received.

(c) A second notice of redemption shall be given, not later than ninety
(90) days subsequent to the redemption date, to registered owners of Bonds or
portions thereof redeemed but who failed to deliver Bonds for redemption prior to
the 60th day following such redemption date. Any notice mailed shall be
conclusively presumed to have been duly given, whether or not the owner of such
Bonds receives the notice. Receipt of such notice shall not be a condition
precedent to such redemption, and failure to receive any such notice by any of
such registered owners shall not affect the validity of the proceedings for the
redemption of the Bonds.

Section 2.9 Sale of Bonds; Official Statement.

(a) The Bonds shall be sold to the Underwriters at a purchase price of
$____________ (being the aggregate principal amount thereof, plus a reoffering
premium of $____________, and less an Underwriters’ discount of
$____________) pursuant to the Purchase Contract (as presented to the
Commission at the meeting where this Resolution was approved and attached
hereto as Exhibit E). To evidence the acceptance of the Purchase Contract, the
State Treasurer is hereby authorized and directed to execute and deliver the
Purchase Contract on behalf of the Issuer. The sale of the Bonds to the
Underwriters is hereby authorized and, under authority of the Acts, the Bonds
shall be issued by the Issuer for the purposes set forth in Section 2.2 hereof. The
Bonds shall be delivered to the Underwriters and the proceeds of sale thereof
applied as provided in Section 2.12 hereof.

(b) The Official Statement of the Issuer in substantially the form
attached hereto as Exhibit A, with such changes, omissions, insertions and
revisions as the State Treasurer shall approve, is hereby authorized, and the State
Treasurer shall execute and deliver such Official Statement to the Underwriters
for distribution to prospective purchasers of the Bonds and other interested
persons. The approval of the State Treasurer of any such changes, omissions,
insertions and revisions shall be conclusively established by the State Treasurer’s
execution of the Official Statement. The Issuer has previously deemed and does
hereby deem final the Preliminary Official Statement within the meaning and for
the purposes of Paragraph (b)(1) of Rule 15c2-12 of the Securities and Exchange
Commission, subject to completion thereof with the information established at the
time of the sale of the Bonds.

Section 2.10 Execution of Bonds. The Bonds shall be executed on behalf of the
Issuer by the State Treasurer and countersigned and attested by the Lieutenant Governor
(the signatures of the State Treasurer and the Lieutenant Governor being either manual or
by facsimile) and the Great Seal of the State of Utah or a facsimile thereof shall be
impressed or printed thereon. The use of such facsimile signatures of the State Treasurer and the Lieutenant Governor and the facsimile of the Great Seal of the State of Utah on the Bonds is hereby authorized, approved and adopted by the Issuer as the authorized and authentic execution, attestation and sealing of the Bonds by said officials for and on behalf of the Issuer. The Bonds shall then be delivered to the Bond Registrar for manual certification of registration (or authentication, if applicable) by it. Only such of the Bonds as shall bear thereon a certificate of registration (or authentication, if applicable), manually executed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of the Bond Resolution, and such certificate of the Bond Registrar shall be conclusive evidence that the Bonds so certified have been duly registered and delivered under, and are entitled to the benefits of, the Bond Resolution and that the Holder thereof is entitled to the benefits of the Bond Resolution. The certificate of registration (or authentication, if applicable) of the Bond Registrar on any Bond shall be deemed to have been executed by it if (a) such Bond is signed by an authorized officer or representative of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of registration (or authentication, if applicable) on all of the Bonds issued hereunder or that all of the Bonds hereunder be certified as registered (or authenticated, if applicable) by the same Bond Registrar, and (b) the date of registration of the Bond is inserted in the place provided therefor on the certificate of registration (or authentication, if applicable). In the event that the Bond Registrar for the Bonds shall be any Person other than the State Treasurer, pursuant to Section 2.6 hereof, the certificate of registration of the Bond Registrar on each such Bond shall be replaced by a certificate of authentication substantially in the form provided in Section 6.1 hereof, which shall be deemed and shall function as a certificate of authentication and registration under the provisions of the Bond Resolution.

The State Treasurer and Lieutenant Governor of the Issuer are authorized to execute, countersign, attest and seal from time to time, in the manner described above, Bonds (the “Exchange Bonds”) to be issued and delivered for the purpose of effecting transfers and exchanges of Bonds pursuant to Article III hereof. At the time of the execution, countersigning, attestation and sealing of the Exchange Bonds by the Issuer, the payee, principal amount, maturity and interest rate shall be in blank. Upon any transfer or exchange of Bonds pursuant to Article III hereof, the Bond Registrar shall cause to be inserted in appropriate Exchange Bonds the appropriate payee, principal amount, maturity and interest rate. The Bond Registrar is hereby authorized and directed to hold the Exchange Bonds, and to complete, certify as to registration and authenticate (if applicable) and deliver the Exchange Bonds, for the purpose of effecting transfers and exchanges of Bonds; provided that any Exchange Bonds registered, authenticated (if applicable) and delivered by the Bond Registrar shall bear the same series, maturity and interest rate as Bonds delivered to the Bond Registrar by the Issuer for transfer or exchange, and shall bear the name of such payee as the Bondholder requesting an exchange or transfer shall designate; and provided further that upon the delivery of any Exchange Bonds by the Bond Registrar a like principal amount of Bonds submitted for transfer or exchange, and of like series and having like maturities and interest rates, shall be cancelled. The execution, countersigning, attestation and sealing by the Issuer and delivery to the Bond Registrar of any Exchange Bond shall constitute full and due authorization of such Bond
containing such payee, principal amount, maturity and interest rate as the Bond Registrar shall cause to be inserted, and the Bond Registrar shall thereby be authorized to certify as to registration and authenticate (if applicable) and deliver such Exchange Bond in accordance with the provisions hereof.

In case any officer whose signature or a facsimile of whose signature shall appear on any Bond (including any Exchange Bond) shall cease to be such officer before the issuance or delivery of such Bond, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until such issuance or delivery, respectively.

Section 2.11  Creation and Administration of Bond Proceeds Account.

(a) As authorized by the Acts, a “Bond Proceeds Account” is hereby created for the purposes described in Section 2.2 hereof, which account shall be administered and maintained by the State Treasurer. Section 3.1 Transfer of Bonds.

(a) Any Bond may, in accordance with its terms, be transferred, upon the registration books kept by the Bond Registrar pursuant to Section 3.3 hereof, by the person in whose name it is registered, in person or by such Holder’s duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Bond Registrar, duly executed. No transfer shall be effective until entered on the registration books kept by the Bond Registrar. The Issuer, the Bond Registrar and the Paying Agent may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Bond Registrar as the holder and absolute owner thereof for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon and for all other purposes whatsoever.

(b) Whenever any Bond or Bonds shall be surrendered for transfer, the Bond Registrar shall certify as to registration and authenticate (if applicable) and deliver a new fully registered Bond or Bonds (which may be an Exchange Bond or Bonds pursuant to Section 2.10 hereof) of the same series, designation, maturity and interest rate and of authorized denominations duly executed by the Issuer, for a like aggregate principal amount. The Bond Registrar shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer. With respect to each Bond, no such transfer shall be required to be made with respect to any interest payment date after the Record Date to and including such interest payment date.

Section 3.2 Exchange of Bonds. Bonds may be exchanged at the principal office of the Bond Registrar for a like aggregate principal amount of fully registered Bonds (which may be an Exchange Bond or Bonds pursuant to Section 2.10 hereof) of the same series, designation, maturity and interest rate of other authorized denominations. The Bond Registrar shall require the payment by the Bondholder requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. With respect to each Bond, no such exchange shall be required to be made with respect to any interest payment date after the Record Date to and including such interest payment date.

Section 3.3 Bond Registration Books. This Bond Resolution shall constitute a system of registration within the meaning and for all purposes of the Registered Public Obligations Act, Chapter 7 of Title 15 of the Utah Code. The Bond Registrar shall keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the Issuer; and, upon presentation for such purpose, the Bond Registrar shall, under such reasonable
regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Bonds as herein provided.

Section 3.4  **List of Bondholders.** The Bond Registrar shall maintain a list of the names and addresses of the Holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 3.5  **Duties of Bond Registrar.** If the Bond Registrar for the Bonds is any Person other than the State Treasurer, pursuant to Section 2.6 hereof, and if requested by such Bond Registrar, the State Treasurer is authorized to execute the Bond Registrar’s standard form of agreement between the Issuer and the Bond Registrar with respect to the compensation, obligations and duties of the Bond Registrar hereunder, which may include the following:

(a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;

ARTICLE IV

BOOK-ENTRY SYSTEM; LIMITED OBLIGATION OF ISSUER; LETTER OF REPRESENTATIONS

Section 4.1  **Book-Entry System; Limited Obligation of Issuer.**

(a) The Bonds shall be initially issued in the form of a separate, single, certificated, fully registered Bond for each stated maturity set forth in Section 2.4 hereof. Upon initial issuance, the ownership of each such Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC. Except as provided in Section 4.3 hereof, all of the outstanding Bonds shall be registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC.
(b) With respect to Bonds registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC, the Issuer, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any such Participant or to any Person on behalf of which such a Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Issuer, the Bond Registrar and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other Person, other than a Bondholder, as shown in the registration books kept by the Bond Registrar, of any notice with respect to the Bonds, or (iii) the payment to any Participant or any other Person, other than a Bondholder, as shown in the registration books kept by the Bond Registrar, of any amount with respect to the principal or interest on the Bonds. The Issuer, the Bond Registrar and the Paying Agent may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Bond Registrar as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond and for all other purposes whatsoever. The Paying Agent shall pay all principal of and interest on the Bonds only to the respective Bondholders, as shown in the registration books kept by the Bond Registrar and all such payments shall be valid and effective to fully satisfy and discharge the Issuer’s obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No Person other than a Bondholder, as shown in the registration books kept by the Bond Registrar, shall receive a certificated Bond evidencing the obligation of the Issuer to make payments of principal and interest pursuant to the Bond Resolution.

(c) Upon delivery by DTC to the Issuer of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions herein with respect to Record Dates, the word “Cede” in the Bond Resolution shall refer to such new nominee of DTC; and upon receipt of such a notice the Issuer shall promptly deliver a copy of the same to the Bond Registrar and the Paying Agent.

Section 4.2 Letter of Representations. In the written acceptance of each Paying Agent and Bond Registrar referred to in Section 2.6 hereof, such Paying Agent and Bond Registrar, respectively, shall agree to take all actions necessary for all representations of the Issuer in the Letter of Representations with respect to the Paying Agent and Bond Registrar, respectively, to at all times be complied with. So long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations.

Section 4.3 Transfers Outside Book-Entry System. In the event that (a) the Issuer determines that DTC is incapable of discharging or is unwilling to discharge its responsibilities described herein and in the Letter of Representations, (b) DTC determines
to discontinue providing its service as securities depository with respect to the Bonds at any time as provided in the Letter of Representations, or (c) the Issuer determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall notify DTC and direct DTC to notify the Participants of the availability through DTC of Bond certificates and the Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC. At that time, the Issuer may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system as may be acceptable to the Issuer, or such depository’s agent or designee, and if the Issuer does not select such alternate universal book-entry system, then the Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of Cede, as nominee of DTC, but may be registered in whatever name or names Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of Article III hereof.

Section 4.4 Payments to Cede. Notwithstanding any other provision of the Bond Resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representations.

ARTICLE V

COVENANTS AND UNDERTAKINGS

Section 5.1 Covenants of Issuer. All covenants, statements, representations and agreements contained in the Bonds and all recitals and representations in the Bond Resolution are hereby considered and understood to be and it is hereby resolved that all such covenants, statements, representations and agreements of the Commission are, the covenants, statements, representations and agreements of the Issuer.

Section 5.2 Levy of Taxes; 2020B Sinking Fund.

(a) Pursuant to the Acts, each year after the issuance of the Bonds and until all of the Bonds shall have been retired, a direct annual tax upon all real and personal property within the State subject to State taxation shall be levied in such amount as shall be sufficient to pay (i) the interest on the Bonds as it becomes due, and (ii) the principal of the Bonds as it becomes due. The rate of such direct annual tax shall be fixed each year by the Tax Commission as the rate fixed for State taxes and the taxes shall be collected and the revenue applied as provided in the Acts. The direct annual tax imposed hereunder is abated to the extent money is available from sources, other than ad valorem taxes in the 2020B Sinking Fund, for payment of the interest on and the principal of the Bonds.

(b) There is hereby created and established with the State Treasurer a 2020B Sinking Fund. All monies deposited in the 2020B Sinking Fund for payment of the Bonds shall be used to pay principal of and interest on the Bonds.
The proceeds of all taxes levied hereunder pursuant to the Acts are appropriated to the 2020B Sinking Fund. Warrants covering the amounts of the principal and interest falling due on the Bonds shall be drawn by the Division of Finance of the State on the State treasury, as provided in the Acts, before the dates on which payments of principal of and interest on the Bonds fall due. The warrants shall be promptly paid by the State Treasurer from the 2020B Sinking Fund and the amount so paid shall be immediately transmitted as provided in the Letter of Representations or, if the Paying Agent is a Person other than the State Treasurer, shall be immediately transmitted to the Paying Agent.

(c) Pursuant to the applicable provisions of the Acts, the State Treasurer is hereby authorized and directed to invest any money in the 2020B Sinking Fund in accordance with the State Money Management Act, Title 51, Chapter 7 of the Utah Code (particularly Sections 51-7-17 and 51-7-11 thereof) or any applicable successor provision of law, until such time as it is needed for the purposes for which the 2020B Sinking Fund is created under the Acts. All income from the investment of the money in the 2020B Sinking Fund shall be deposited in the 2020B Sinking Fund and used for the payment of principal of and interest on the Bonds.

Section 5.3 Bonds in Registered Form. The Issuer recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest on the Bonds is exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the Issuer agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 5.4 Arbitrage Covenant; Covenant to Maintain Tax Exemption; Other Covenants.

(a) The Lieutenant Governor, the State Treasurer and other appropriate officials of the Issuer are hereby authorized and directed to execute such Tax Certificates as shall be necessary to establish that (i) the Bonds are not “arbitrage bonds” within the meaning of Section 148 of the Code and the Regulations, (ii) the Bonds are not and will not become “private activity bonds” within the meaning of Section 141 of the Code, (iii) all applicable requirements of Section 149 of the Code are and will be met, (iv) the covenants of the Issuer contained in this Section 5.4 will be complied with, and (v) interest on the Bonds is not and will not become includible in gross income for federal income tax purposes under the Code and applicable Regulations.

(b) The Issuer covenants and certifies to and for the benefit of the Holders from time to time of the Bonds that:

(i) it will at all times comply with the provisions of any Tax Certificate;
(ii) it will at all times comply with the rebate requirements contained in Section 148(f) of the Code, including, without limitation, the entering into of any necessary rebate calculation agreement to provide for the calculations of amounts required to be rebated to the United States, the keeping of records necessary to enable such calculations to be made, and the timely payment to the United States, as authorized by the applicable provisions of the Acts, of all amounts, including any applicable penalties and interest, required to be rebated;

(iii) no use will be made of the proceeds of the issue and sale of the Bonds, or any funds or accounts of the Issuer which may be deemed to be proceeds of the Bonds, pursuant to Section 148 of the Code and applicable Regulations, which use, if it had been reasonably expected on the date of issuance of the Bonds, would have caused the Bonds to be classified as “arbitrage bonds” within the meaning of Section 148 of the Code;

(iv) it will not use or permit the use of any of its facilities or properties in such manner that such use would cause the Bonds to be “private activity bonds” described in Section 141 of the Code;

(v) no bonds or other evidences of indebtedness of the Issuer that are reasonably expected to be paid out of substantially the same source of funds as the Bonds have been or will be issued, sold or delivered within a period beginning 15 days prior to the sale of the Bonds and ending 15 days following the delivery of the Bonds, other than the Bonds; and

(vi) it will not take any action that would cause interest on the Bonds to be or to become ineligible for the exclusion from gross income of the Holders of the Bonds as provided in Section 103 of the Code, nor will it omit to take or cause to be taken, in timely manner, any action, which omission would cause interest on the Bonds to be or to become ineligible for the exclusion from gross income of the Holders of the Bonds as provided in Section 103 of the Code.

Pursuant to these covenants, the Issuer obligates itself to comply throughout the term of the issue of the Bonds with the requirements of Section 103 of the Code and the Regulations proposed or promulgated thereunder.

Section 5.5  Covenant not to Exceed Authorization. On behalf of the Issuer, the Commission hereby covenants that it will not authorize the issuance of bonds, warrants, notes or other forms of general obligation debt in excess of the amounts, maturity dates, or other details authorized under the Acts to provide funding for the projects listed in the Acts.
